

## Essential Mental Arithmetic Book 6

Filesize: 9.76 MB

### **Reviews**

*The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## ESSENTIAL MENTAL ARITHMETIC BOOK 6

SCHOFIELD SIMS LTD, United Kingdom, 2010. Paperback. Book Condition: New. 292 x 204 mm. Language: English . Brand New Book. A repackaged version of the bestselling Schofield Sims Mental Arithmetic with new covers designed for older students. Essential Mental Arithmetic, which has already delivered outstanding results in many schools, gives all students the skills and confidence they need to use maths effectively in everyday situations - whether at school, at work or in other aspects of daily life. Ideal for regular and intensive use, the carefully differentiated questions develop students functional maths skills to their full potential, giving plenty of opportunities for practice and helping them to become fully numerate. A useful Language of Maths glossary on the inside front cover helps to develop students number vocabulary. Two 10-minute Progress Tests are provided, with accompanying Results Charts, and the final Check-up Tests on number, money and measures help student and teacher to identify any gaps in understanding. Every Essential Mental Arithmetic book is divided into three sections, each comprising 12 one-page tests presented in a standard format that students will quickly become familiar with. Each test in Essential Mental Arithmetic 6 contains: Part A: 12 questions on computation and algebra, Part B: 10 questions including money and approximation, Part C: 12 longer questions including coordinates and using maths in practical situations.
