Excerpt from Foreign Crops and Markets: World Summaries, Crops and Livestock; April 30, 1959 The 1958 harvest was well above average and even more above the below-average 1957 pack in each of the leading producing countries, the United States, France, and Italy. India, Turkey, and Yugoslavia also had larger packs in 1958. Communist China is also a substantial producer of walnuts; there is no reliable information regarding its output.
