

8 Ocean Angels the Road to Infinity for the Gifted (Paperback)

By Grant King

Page Publishing, Inc., United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Who are ocean angels? What distinguishes them from other people? Are you one of them? In 8 Ocean Angels, the author, Grant King, presents notable characters he considers as real-life ocean angels-such as Francois-Marie Arouet, Massimo Bontempelli, William Shakespeare, Emily Dickinson, Ezra Pound, and Socrates-and describes how they ultimately represent these entities in how they see life and relate to nature and the entire cosmos. The narrative uses repetition of words, lines, and ideas to create a meditative tone, effectively drawing you into mantric reading as you go through each chapter. A book on enlightenment and discoveries, it beckons for introspection, guiding you to the awareness of your real capabilities, of the real nature of life, and of the truth about our relationship with a higher power. Spiritual and personal, the book paves the way for the understanding that we are not solitary entities but are interconnected elements in a majestic and grand design.

Reviews

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.
