Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The New World Fairy Book Rennie s father was a teacher; and when he was teaching white men s knowledge to the young redskins in the little log school-house, or making up lessons for them in his log study, his own small boy used to play among the litter of hickory shavings down on the bank of the big river and bother the Indian men and women who sat there making snowshoes and lacrosse sticks. They rather liked his bothering, even those who could hardly understand a word of his chatter; and the whittling and stringing never went on so merrily when Little Sunrise had to stay at home helping his mother about the house.
